CHURCHILL DOWNS INCORPORATED REPORTS 2009 RESULTS

- **2009 Net Revenues From Continuing Operations Grow 2 Percent Year-Over-Year, Driven by Online Business and Gaming Segment Gains**
- **2009 EBITDA Decreases \$14.7 million Due Primarily to the Recognition of \$17.2 million of Hurricane Insurance Recoveries During 2008**
- **New Calder Casino and Anticipated Closing of the Youbet.com Merger Transaction Expected to Result in Continued Growth in 2010**

LOUISVILLE, Ky. (Tuesday, March 2, 2010) – Churchill Downs Incorporated (“CDI”) (NASDAQ: CHDN), today reported results for the fourth quarter and year-ended Dec. 31, 2009.

For the full year, net revenues from continuing operations grew to \$439.7 million, a 2 percent increase from the prior year total of \$430.6 million. Total EBITDA (earnings before interest, taxes, depreciation and amortization) decreased \$14.7 million from \$80.2 million for the year-ended Dec. 31, 2008 to \$65.5 million for the year-ended Dec. 31, 2009 and was primarily the result of the recognition of \$17.2 million of hurricane insurance recoveries during the year-ended Dec. 31, 2008.

Net earnings from continuing operations totaled \$17.7 million for the year-ended Dec. 31, 2009, or \$1.27 per diluted common share, down from \$2.09 per diluted common share in 2008. The decline was caused primarily by the decline in EBITDA, including the recognition of \$17.2 million in hurricane insurance recoveries recorded in 2008. Additionally, our effective income tax rate increased from 41% in 2008 to 49% in 2009. The 2009 effective income tax rate reflects the impact of \$2.3 million of income tax expense related to proposed adjustments resulting from an Internal Revenue Service audit of income tax returns of the years 2004-2007.

Net revenues from continuing operations for the fourth quarter of 2009 were \$85.0 million, down 1 percent from the previous year’s total of \$85.9 million. We experienced negative EBITDA of \$1.9 million for the fourth quarter of 2009, which represents a decline of \$4.2 million compared to positive EBITDA of \$2.3 million experienced during the fourth quarter of 2008. Racing segment EBITDA accounted for \$2.1 million of the decline while Gaming segment EBITDA declined \$2.2 million, primarily as the result of approximately \$1.8 million in pre-opening costs related to the new Calder Casino, which opened Jan. 22, 2010. Online Business EBITDA increased by \$0.3 million. Legal and other professional fees related to the Youbet.com merger transaction, various bankruptcies across the U.S.

Thoroughbred industry, and litigation surrounding the Illinois Horse Racing Equity Trust Fund, also referred to as the “Molaro Bill”, totaled approximately \$1.4 million and negatively affected EBITDA during the fourth quarter of 2009.

For the fourth quarter, the net loss from continuing operations per diluted common share increased from \$0.26 in the fourth quarter of 2008 to \$0.51 in the fourth quarter of 2009. The EBITDA decline described above was the primary factor in the year-over-year increase in the fourth quarter loss per diluted common share.

During the quarter we received approximately \$24.0 million in “Molaro Bill” funds. Of this amount, approximately \$10.4 million is due to CDI and \$13.6 million will be deposited into the Arlington Park purse account. Because of a court order, these funds have been deposited into an escrow account and they appear on our balance sheet as restricted cash, but have not yet been recognized as revenues.

President and Chief Executive Officer Robert L. Evans said CDI’s 2009 financial results demonstrated the value of the CDI’s increasingly diversified business. “Despite the economic recession and very challenging conditions in the U.S. Thoroughbred industry, we were able to grow revenues in 2009,” said Evans. “Since 2006 we have increased revenues in each of the last three years at a compound annual growth rate of 5%, after taking acquisitions into account.” he added.

“CDI is making significant investments in our Racing business, though it is proving increasingly difficult to generate an acceptable return on those investments,” said Evans. “We are converting the live racing video at all of our racetracks to high-definition format. We are currently installing track lights to support night racing programs at Churchill Downs Racetrack. We have taken a leadership position on improving racing safety and have now completed full safety accreditation of all four racetracks by the NTRA Safety & Integrity Alliance. We are also funding the televising of three weekends of Kentucky Derby prep races this spring on NBC Universal’s networks. These initiatives, plus others, represent over \$10 million in new investments in our Racing Operations.”

“Our anticipated growth in 2010 is likely to be driven by the new Calder Casino, which opened on-time and on-budget on Jan. 22 of this year, and the expected completion of the merger with Youbet.com that we announced on Nov. 11 of last year,” said Evans. “We currently expect the Youbet.com transaction to close in the second quarter of 2010.”

of earnings before interest, taxes, depreciation and amortization (“EBITDA”). Churchill Downs Incorporated uses EBITDA as a key performance measure of results of operations for purposes of evaluating performance internally. CDI believes the use of this measure enables management and investors to evaluate and compare, from period to period, CDI’s operating performance in a meaningful and consistent manner. This non-GAAP measurement is not intended to replace the presentation of CDI’s financial results in accordance with GAAP. A reconciliation of EBITDA to net earnings is included in the Supplemental Information by Operating Unit table within this news release.

Churchill Downs Incorporated (“CDI”), headquartered in Louisville, Ky., owns and operates four world renowned Thoroughbred racing facilities: Arlington Park in Illinois, Calder Casino and Race Course in Florida, Churchill Downs Race Track in Kentucky and Fair Grounds Race Course & Slots in Louisiana. CDI tracks are host to North America’s most prestigious races, including the Arlington Million, the Kentucky Derby and the Kentucky Oaks, the Louisiana Derby and the Princess Rooney, along with hosting the Breeders’ Cup World Championships for a record seventh time on Nov. 5-6, 2010. CDI also owns off-track betting facilities, TwinSpires.com and other advance-deposit wagering channels, television production, telecommunications and racing service companies such as BRIS and a 50-percent interest in the national cable and satellite network, HorseRacing TV, which supports CDI’s network of simulcasting and racing operations.
