## 1. DESCRIPTION OF BUSINESS

### *Basis of Presentation*

Churchill Downs Incorporated (the "Company" or "CDI") financial statements are presented in conformity with the requirements of this Quarterly Report on Form 10-Q and consequently do not include all of the disclosures normally required by U.S. generally accepted accounting principles ("GAAP") or those normally made in our Annual Report on Form 10-K. The December 31, 2023 Condensed Consolidated Balance Sheet data was derived from audited financial statements but does not include all disclosures required by GAAP.

The following information is unaudited. All per share amounts assume dilution unless otherwise noted. This report should be read in conjunction with our Annual Report on Form 10-K for the year ended December 31, 2023.

In the opinion of management, all adjustments necessary for a fair statement of this information have been made, and all such adjustments are of a normal, recurring nature.

In April 2024, the Company closed on the sale of 49% of the United Tote Company ("United Tote"), a wholly-owned subsidiary of CDI, to NYRA Content Management Solutions, LLC ("NYRA"), a subsidiary of the New York Racing Association, Inc. Refer to Note 11, Redeemable Noncontrolling Interest, for further information on the transaction.

We conduct our business through three reportable segments: Live and Historical Racing, TwinSpires, and Gaming. We aggregate our other businesses as well as certain corporate operations in All Other. We report net revenue and operating expense associated with these reportable segments in the accompanying Condensed Consolidated Statements of Comprehensive Income.

## 2. RECENT ACCOUNTING PRONOUNCEMENTS

### *Recent Accounting Pronouncements - effective in 2024 or thereafter*

In October 2023, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2023-06, Disclosure Improvements: Codification Amendments in Response to the Securities and Exchange Commission's ("SEC") Disclosure Update and Simplification Initiative, to amend certain disclosure and presentation requirements for a variety of topics within FASB's Accounting Standards Codification ("ASC"). These amendments align the requirements in the ASC regarding the removal of certain disclosure requirements set out in Regulation S-X and Regulation S-K, announced by the SEC. The effective date for each amended topic in the ASC is either the date on which the SEC's removal of the related disclosure requirement from Regulation S-X or Regulation S-K becomes effective, or on June 30, 2027, if the SEC has not removed the requirements by that date. Early adoption is prohibited. The Company is currently evaluating the impact of this standard on the consolidated financial statements and related disclosures.

In November 2023, the FASB issued ASU 2023-07, Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures, which enhances the disclosures required for operating segments in the Company's annual and interim consolidated financial statements. The amendments are effective for the Company in fiscal years beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15, 2024. Early adoption of the amendment is permitted, including adoption in any interim periods for which financial statements have not been issued. The Company is currently evaluating the impact of this standard on the consolidated financial statements and related disclosures.

In December 2023, the FASB issued ASU 2023-09, Income Taxes (Topic 740): Improvements to Income Tax Disclosures. ASU 2023-09 is intended to enhance the transparency and decision usefulness of income tax disclosures. The amendments address investor requests for enhanced income tax information primarily through changes to the rate reconciliation and income taxes paid information. Early adoption is permitted. The amendments are expected to be applied prospectively to all annual periods beginning after December 15, 2024. The Company is currently evaluating the impact of this standard on the consolidated financial statements and related disclosures.

### 3. ACQUISITIONS

#### *Exacta Systems*

On August 22, 2023, the Company completed its acquisition of Exacta Systems, LLC ("Exacta") for a purchase consideration of \$248.2 million, net of cash acquired, which consisted of a \$241.3 million cash payment and \$6.9 million of deferred payments, which are payable over two years from acquisition (the "Exacta Transaction"). As of June 30, 2024, there were \$4.9 million of deferred payments remaining. Exacta is a leading provider of central determinate system technology in Historical Racing Machines ("HRMs") across the country. The Exacta Transaction enables the Company to realize significant synergies related to the Company's HRM operations. Exacta operates within the Company's TwinSpires segment and will continue to service its growing portfolio of third-party HRM operators in Kentucky, Wyoming, and New Hampshire and plans to expand its international presence.

Goodwill of \$177.4 million related to the Exacta Transaction was recognized, of which \$96.0 million was allocated to the Live and Historical Racing segment and \$81.4 million was allocated to the TwinSpires segment. The goodwill related to the Exacta Transaction is deductible for tax purposes.

### 4. GOODWILL AND OTHER INTANGIBLE ASSETS

Goodwill, by segment, is composed of the following:

<i>(in millions)</i>	<u>Live and Historical</u>	<u>TwinSpires</u>	<u>Gaming</u>	<u>All Other</u>	<u>Total</u>
Balances as of December 31, 2023	\$ 376.2	\$ 233.4	\$ 290.3	\$ —	\$ 899.9
Adjustments	0.1	0.2	—	—	0.3
Balances as of June 30, 2024	<u>\$ 376.3</u>	<u>\$ 233.6</u>	<u>\$ 290.3</u>	<u>\$ —</u>	<u>\$ 900.2</u>

We performed our annual goodwill impairment analysis as of April 1, 2024, and no adjustment to the carrying value of goodwill was required. We assessed goodwill for impairment by performing qualitative or quantitative analyses for each reporting unit. We concluded that the fair values of our reporting units exceeded their carrying values, and therefore no impairments were identified.

Other intangible assets are comprised of the following:

<i>(in millions)</i>	<u>June 30, 2024</u>			<u>December 31, 2023</u>		
	<u>Gross Carrying Amount</u>	<u>Accumulated Amortization</u>	<u>Net Carrying Amount</u>	<u>Gross Carrying Amount</u>	<u>Accumulated Amortization</u>	<u>Net Carrying Amount</u>

Indefinite-lived intangible assets			2,347.3			2,347.3
Total			<u>\$ 2,414.4</u>			<u>\$ 2,418.4</u>

In the second quarter of 2023, the Company recognized a \$24.5 million non-cash impairment charge for the Presque Isle Downs and Casino ("Presque Isle") gaming rights and trademark. The Company continues to monitor the current economic conditions and the impacts on the results of operations of Presque Isle. Future economic conditions could have a negative impact on the estimates and assumptions utilized in our asset impairment assessments. These potential impacts could increase the risk of a future impairment of assets at Presque Isle.

We performed our annual indefinite-lived intangible assets impairment analysis as of April 1, 2024. We assessed our indefinite-lived intangible assets for impairment by performing qualitative or quantitative analyses for each asset. Based on the results of these analyses, no indefinite-lived intangible asset impairments were identified in connection with our annual impairment testing.

**5. INCOME TAXES**

The Company's effective income tax rate for the three months ended June 30, 2024 was higher than the U.S. federal statutory rate of 21.0% primarily resulting from state income taxes and non-deductible officer's compensation. The Company's effective income tax rate for the six months ended June 30, 2024 was higher than the U.S. federal statutory rate of 21.0% primarily resulting from state income taxes and non-deductible officer's compensation, partially offset by a benefit from the remeasurement of deferred income tax liabilities, primarily related to certain entity classification elections made in the first quarter of 2024 that decreased income attributable to states with higher tax rates compared to the prior year.

The Company's effective income tax rate for the three months and six months ended June 30, 2023 was higher than the U.S. federal statutory rate of 21.0% primarily resulting from state income taxes and non-deductible officer's compensation.

**6. SHAREHOLDERS' EQUITY**

**Stock Repurchase Programs**

On September 29, 2021, the Board of Directors of the Company approved a common stock repurchase program of up to \$500.0 million (the "2021 Stock Repurchase Program"). The 2021 Stock Repurchase Program includes and is not in addition to any unspent amount remaining under the prior program authorization. Repurchases may be made at management's discretion from time to time on the open market (either with or without a 10b5-1 plan) or through privately negotiated transactions. The repurchase program has no time limit and may be suspended or discontinued at any time.

We repurchased the following shares under the 2021 Stock Repurchase Program:

	Three Months Ended June 30,				Six Months Ended June 30,

<b>Repurchase Program</b>								
2021 Stock Repurchase Program	93,874	\$ 13.0	—	\$ —	278,695	\$ 35.0	—	\$ —

We had approximately \$179.9 million of repurchase authority remaining under the 2021 Stock Repurchase Program at June 30, 2024, based on trade date.

On January 2, 2024, the Company closed on an agreement, dated December 18, 2023, with an affiliate of The Duchossois Group ("TDG") to repurchase 1,000,000 shares of the Company's common stock, for \$123.75 per share in a privately negotiated transaction for an aggregate purchase price of \$123.8 million. This represented a discount of 4.03% to the closing price on December 15, 2023 of \$128.95. The repurchase of shares of common stock from TDG was approved by the Company's Board of Directors separately from and did not reduce the authorized amount remaining under any existing common stock repurchase programs. The repurchase of the shares was funded using available cash and borrowings under the Company's senior secured credit facility.

**Two for One Stock Split**

Effective May 22, 2023, the Company's common stock was split two-for-one with a proportionate increase in the number of its authorized shares of common stock.

**7. STOCK-BASED COMPENSATION PLANS**

We have stock-based employee compensation plans with awards outstanding under the Churchill Downs Incorporated 2016 Omnibus Stock Incentive Plan (the "2016 Plan") and the Executive Long-Term Incentive Compensation Plan, which was adopted pursuant to the 2016 Plan. Our total stock-based compensation expense, which includes expenses related to restricted stock awards ("RSAs"), restricted stock unit awards ("RSUs"), performance share unit awards ("PSUs"), and stock options associated with our employee stock purchase plan was \$8.9 million and \$16.1 million for the three months and six months ended June 30, 2024 and \$8.1 million and \$16.7 million for the three months and six months ended June 30, 2023, respectively.

During the six months ended June 30, 2024, the Company awarded RSUs to employees, RSUs and PSUs to certain named executive officers ("NEOs"), and RSAs and RSUs to directors. The vesting criteria for the PSU awards granted in 2024 were based on a three-year service period with two performance conditions and a market condition related to relative total shareholder return ("TSR") consistent with prior year grants. The total compensation cost we will recognize under the PSUs is

**Churchill Downs Incorporated**  
**Notes to Condensed Consolidated Financial Statements**  
(Unaudited)

determined using the Monte Carlo valuation methodology, which factors in the value of the TSR market condition when determining the grant date fair value of the PSU. Compensation cost for each PSU is recognized during the performance and service period based on the probable achievement of the two performance criteria. The PSUs are converted into shares of our common stock at the time the PSU award value is finalized.

A summary of the RSAs, RSUs and PSUs granted during 2024 is presented below (units in thousands):

Grant Year	Award Type	Number of Units Awarded <sup>(1)</sup>	Vesting Terms

**Credit Agreement**

At June 30, 2024, the Company's senior secured credit facility (as amended from time to time, the "Credit Agreement") consisted of a \$1.2 billion revolving credit facility (the "Revolver"), \$290.2 million senior secured term loan B-1 (the "Term Loan B-1"), \$1.2 billion senior secured term loan A (the "Term Loan A"), and \$100.0 million swing line commitment. On July 3, 2024, the Company closed an amendment of the Credit Agreement to (i) extend the maturity date of the Revolver and Term Loan A from 2027 to 2029 subject to an earlier "springing maturity" if certain indebtedness in respect of outstanding notes or other material indebtedness having a maturity date prior to July 3, 2029, is not refinanced or extended to a date after July 3, 2029, at least 91 days prior to such other debt's stated maturity date, and (ii) amend certain other provisions of the Credit Agreement.

Term Loan B-1 bears interest at the Secured Overnight Financing Rate ("SOFR") plus 210 basis points and requires quarterly payments of 0.25% of the original \$300.0 million balance. The Term Loan B-1 may be subject to additional mandatory prepayment from excess cash flow on an annual basis per the provisions of the Credit Agreement.

The Revolver and Term Loan A bear interest at SOFR plus 10 basis points, plus a variable applicable margin which is determined by the Company's net leverage ratio. As of June 30, 2024, that applicable margin was 150 basis points which was based on the pricing grid in the Credit Agreement. The Company had \$893.5 million available borrowing capacity, after consideration of \$6.0 million in outstanding letters of credit, under the Revolver as of June 30, 2024.

The Company is required to pay a commitment fee on the unused portion of the Revolver as determined by a pricing grid based on the consolidated total net secured leverage ratio of the Company. For the period ended June 30, 2024, the Company's commitment fee rate was 0.25%.

Contract liabilities primarily relate to the Live and Historical Racing segment and the decrease was primarily due to recognized deferred revenue related to the 150th Kentucky Derby. We recognized \$67.2 million and \$73.0 million of revenue during the three months and six months ended June 30, 2024, respectively, which was included in the contract liabilities balance at December 31, 2023. We recognized \$38.8 million and \$42.4 million of revenue during the three months and six months ended June 30, 2023, respectively, which was included in the contract liabilities balance at December 31, 2022.

- For the TwinSpires segment, revenue is disaggregated between live and simulcast racing, gaming, and other services.
- For the Gaming segment, revenue is disaggregated by location given the geographic economic factors that affect the revenue of Gaming service offerings. Within the Gaming segment, revenue is further disaggregated between live and simulcast racing, racing event-related services, gaming, and other services.

**11. REDEEMABLE NONCONTROLLING INTEREST**

In April 2024, the Company closed on the sale of 49% of United Tote, a wholly-owned subsidiary of CDI, to NYRA. NYRA's interest includes certain embedded redemption features, such as a put right, that are not exclusively within the Company's control. NYRA's interest is treated as redeemable noncontrolling interest and is presented outside of permanent equity on the Company's Condensed Consolidated Balance Sheets.

The redeemable noncontrolling interest is initially accounted for at fair value and subsequently adjusted to the greater of the redemption value or the carrying value. Redeemable noncontrolling interest adjustments of carrying value to redemption value are reflected in retained earnings and are also included as an adjustment to income available to the Company's shareholders in the calculation of earnings per share (See Note 15, Net Income Per Common Share Computations). The table below depicts changes in the Company's redeemable noncontrolling interest balance.

**12. INVESTMENTS IN AND ADVANCES TO UNCONSOLIDATED AFFILIATES**

Investments in and advances to unconsolidated affiliates as of June 30, 2024 and December 31, 2023 primarily consisted of interests in Rivers Casino Des Plaines ("Rivers Des Plaines") and Miami Valley Gaming and Racing ("MVG").

**Rivers Casino Des Plaines**

The ownership of Rivers Des Plaines is comprised of the following: (1) the Company owns 61.3%, (2) High Plains Gaming, LLC ("High Plains"), an affiliate of Rush Street Gaming, LLC, owns 36.0%, and (3) Casino Investors, LLC owns 2.7%. Both the Company and High Plains have participating rights over Rivers Des Plaines, and both must consent to certain operating, investing and financing decisions. As a result, we account for Rivers Des Plaines using the equity method. As of June 30, 2024, the net aggregate basis difference between the Company's investment in Rivers Des Plaines and the amounts of the underlying equity in net assets was \$832.8 million.

**13. FAIR VALUE OF ASSETS AND LIABILITIES**

We endeavor to utilize the best available information in measuring fair value. Financial assets and liabilities are classified based on the lowest level of input that is significant to the fair value measurement. The following methods and assumptions are used to estimate the fair value of each class of financial instruments for which it is practicable to estimate.

**Restricted Cash**

Our restricted cash accounts held in money market and interest-bearing accounts qualify for Level 1 in the fair value hierarchy, which includes unadjusted quoted market prices in active markets for identical assets.

**Debt**

The fair value of the Company's 2031 Senior Notes, 2030 Senior Notes, 2028 Senior Notes, and 2027 Senior Notes are estimated based on unadjusted quoted prices for identical or similar liabilities in markets that are not active and as such are Level 2 measurements. The fair values of the Company's Term Loan B-1, Term Loan A, and Revolver under the Credit Agreement approximate the gross carrying value of the variable rate debt and as such are Level 2 measurements.

The carrying amounts and estimated fair values by input level of the Company's financial instruments are as follows:

**14. CONTINGENCIES**

We are involved in litigation arising in the ordinary course of conducting business. We carry insurance for workers' compensation claims from our employees and general liability for claims from independent contractors, customers, and guests. We are self-insured up to an aggregate stop loss for our general liability and workers' compensation coverages.

We review all litigation on an ongoing basis when making accrual and disclosure decisions. For certain legal proceedings, we cannot reasonably estimate losses or a range of loss, if any, particularly for proceedings that are in the early stages of development or where the plaintiffs seek indeterminate damages. Various factors, including but not limited to, the outcome of potentially lengthy discovery and the resolution of important factual questions, may need to be determined before probability

can be established or before a loss or range of loss can be reasonably estimated. In accordance with current accounting standards for loss contingencies and based upon information currently known to us, we establish reserves for litigation when it is probable that a loss associated with a claim or proceeding has been incurred and the amount of the loss or range of loss can be reasonably estimated. When no amount within the range of loss is a better estimate than any other amount, we accrue the minimum amount of the estimable loss. To the extent that such litigation against us may have an exposure to a loss in excess of the amount we have accrued, we believe that such excess would not be material to our consolidated financial condition, results of operations, or cash flows. Legal fees are expensed as incurred.

If the loss contingency in question is not both probable and reasonably estimable, we do not establish an accrual and the matter will continue to be monitored for any developments that would make the loss contingency both probable and reasonably estimable. In the event that a legal proceeding results in a substantial judgment against us, or settlement by us, there can be no assurance that any resulting liability or financial commitment would not have a material adverse impact on our business.

**16. SEGMENT INFORMATION**

We manage our operations through three reportable segments: Live and Historical Racing, TwinSpires, and Gaming. Our operating segments reflect the internal management reporting used by our chief operating decision maker to evaluate results of operations and to assess performance and allocate resources.

On September 7, 2023, the Company began operating retail sports betting at its racetracks and HRM facilities in Kentucky. In addition to retail sports betting, third-party service providers began operating online sports wagering in partnership with the Company's racetracks on September 28, 2023. Our retail and online sports betting business is included in the TwinSpires segment.

Eliminations include the elimination of intersegment transactions. We utilize non-GAAP measures, including EBITDA (earnings before interest, taxes, depreciation and amortization) and Adjusted EBITDA. Our chief operating decision maker utilizes Adjusted EBITDA to evaluate segment performance, develop strategy, and allocate resources. Adjusted EBITDA includes the following adjustments:

Adjusted EBITDA includes our portion of EBITDA from our equity investments and the portion of EBITDA attributable to a noncontrolling interest.

Adjusted EBITDA excludes:

- Transaction expense, net which includes:
  - Acquisition, disposition, and property sale related charges;
  - Other transaction expense, including legal, accounting, and other deal-related expense;
- Stock-based compensation expense;
- Asset impairments;
- Gain on property sales;
- Legal reserves;
- Pre-opening expense; and
- Other charges, recoveries, and expenses

As of December 31, 2021, our property in Arlington Heights, Illinois ("Arlington") ceased racing and simulcast operations and the property was sold on February 15, 2023 to the Chicago Bears. Arlington's results and exit costs in 2023 are treated as an adjustment to EBITDA and are included in other expenses, net in the Reconciliation of Comprehensive Income to Adjusted EBITDA.

On June 26, 2023, the Company's management agreement for Lady Luck Casino Nemacolin ("Lady Luck") in Farmington, Pennsylvania expired and was not renewed. The Company completed the sale of substantially all its assets at Lady Luck for an immaterial amount.

We utilize the Adjusted EBITDA metric to provide a more accurate measure of our core operating results and enable management and investors to evaluate and compare from period to period our operating performance in a meaningful and consistent manner. Adjusted EBITDA should not be considered as an alternative to operating income as an indicator of performance, as an alternative to cash flows from operating activities as a measure of liquidity, or as an alternative to any other measure provided in accordance with GAAP. Our calculation of Adjusted EBITDA may be different from the calculation used by other companies and, therefore, comparability may be limited. For segment reporting, Adjusted EBITDA includes intercompany revenue and expense totals that are eliminated in the accompanying Condensed Consolidated Statements of Comprehensive Income.

The tables below present net revenue from external customers, Adjusted EBITDA by segment and reconciles comprehensive income to Adjusted EBITDA:

## Our Business

Churchill Downs Incorporated ("CDI" or the "Company") has been creating extraordinary entertainment experiences for over 150 years, beginning with the Company's most iconic and enduring asset, the Kentucky Derby. Headquartered in Louisville, Kentucky, CDI has expanded through the development of live and historical racing entertainment venues, the growth of the TwinSpires horse racing online wagering business, expanded pari-mutuel content and technology services to B2C platforms, and the operation and development of regional casino gaming properties.

We conduct our business through three reportable segments: Live and Historical Racing, TwinSpires, and Gaming. We aggregate our other businesses as well as certain corporate operations in All Other.

### Key Indicators to Evaluate Business Results and Financial Condition

Our management monitors a variety of key indicators to evaluate our business results and financial condition. These indicators include changes in net revenue, operating expense, operating income, earnings per share, outstanding debt balance, operating cash flow, and capital spend.

Our consolidated financial statements have been prepared in conformity with U.S. generally accepted accounting principles ("GAAP"). We also use non-GAAP measures, including EBITDA (earnings before interest, taxes, depreciation and amortization) and Adjusted EBITDA. We believe that the use of Adjusted EBITDA as a key performance measure of results of operations enables management and investors to evaluate and compare from period to period our operating performance in a meaningful and consistent manner. Our chief operating decision maker utilizes Adjusted EBITDA to evaluate segment performance, develop strategy, and allocate resources. Adjusted EBITDA is a supplemental measure of our performance that is not required by, or presented in accordance with, GAAP. Adjusted EBITDA should not be considered as an alternative to, or more meaningful than, net income (as determined in accordance with GAAP) as a measure of our operating results.

Adjusted EBITDA is defined as earnings before interest, taxes, depreciation and amortization, adjusted for the following:

Adjusted EBITDA includes our portion of EBITDA from our equity investments and the portion of EBITDA attributable to a noncontrolling interest.

Adjusted EBITDA excludes:

- Transaction expense, net which includes:
  - Acquisition, disposition, and property sale related charges;
  - Other transaction expense, including legal, accounting and other deal-related expense;
- Stock-based compensation expense;
- Asset impairments;
- Gain on property sales;
- Legal reserves;
- Pre-opening expense; and
- Other charges, recoveries and expenses

As of December 31, 2021, our property in Arlington Heights, Illinois ("Arlington") ceased racing and simulcast operations and the property was sold on February 15, 2023 to the Chicago Bears. Arlington's results and exit costs in 2023 are treated as an adjustment to EBITDA and are included in other expenses, net in the Reconciliation of Comprehensive Income to Adjusted EBITDA.

On June 26, 2023, the Company's management agreement for Lady Luck Casino Nemacolin ("Lady Luck") in Farmington, Pennsylvania expired and was not renewed. The Company completed the sale of substantially all its assets at Lady Luck for an immaterial amount.

For segment reporting, Adjusted EBITDA includes intercompany revenue and expense totals that are eliminated in the Condensed Consolidated Statements of Comprehensive Income. See the Reconciliation of Comprehensive Income to Adjusted EBITDA included in this section for additional information.

## Governmental Regulations and Legislative Changes

We are subject to various federal, state, and international laws and regulations that affect our businesses. The ownership, operation, and management of our Live and Historical Racing, TwinSpires, and Gaming segments, as well as our other operations, are subject to regulation under the laws and regulations of each of the jurisdictions in which we operate. The ownership, operation, and management of our businesses and properties are also subject to legislative actions at both the federal and state level. The following update on our regulatory and legislative actions should be read in conjunction with our Annual Report on Form 10-K for the year ended December 31, 2023, including Part 1 - Item 1, "Business" for a discussion of regulatory and legislative changes.

### Specific State Gaming Regulations

#### Louisiana

In Louisiana, the 2021 Historical Horse Racing Act (the "2021 HHR Act") allows off-track betting facilities ("OTBs") to have up to 50 HRMs. On October 25, 2022, a number of individual plaintiffs associated with video poker and truckstops, filed a lawsuit in the 19th Judicial District Court in East Baton Rouge, Louisiana against certain racetracks in Louisiana, including our Fair Grounds Racecourse and Slots property, alleging that the 2021 HHR Act is unconstitutional to the extent it purports to permit historical racing in a parish without a referendum. On June 8, 2023, plaintiffs filed a motion for summary judgment on the constitutional issues raised in their complaint and a hearing was conducted on September 11, 2023.

On February 23, 2024 the judge issued a ruling in favor of plaintiffs granting summary judgment stating that: (i) historical horseracing is a new form of gaming not specifically authorized by law prior to 1996; (ii) historical horseracing may not be conducted in any parish of the state unless voters approve it through referendum; and (iii) the 2021 HHR Act that authorized historical horseracing is unconstitutional. The summary judgment, which was certified as final for purposes of appeal, was entered on March 18, 2024, and the Company, along with other interested parties including the Louisiana Racing Commission, filed a joint motion for a suspensive appeal, which was entered on March 26, 2024. The suspensive appeal allows the continued operation of HHR during the pendency of the appeal before the Louisiana Supreme Court. The Company intends to vigorously defend the constitutionality of the HHR Act.

As of June 30, 2024, the Company had approximately 500 HRMs in OTBs in Louisiana. If the 2021 HHR Act is determined to be unconstitutional it could have an adverse impact on our Louisiana HRM results which are reported in our Gaming segment.

Partially offsetting these increases to operating income was an \$11.8 million increase in selling, general and administrative expenses and a \$4.4 million increase in transaction expenses.
- Net income attributable to Churchill Downs Incorporated decreased \$9.0 million. The following impacted the comparability of the Company's net income for the six months ended June 30, 2024 compared to the six months ended June 30, 2023: an \$86.2 million after-tax gain on the sale of the Arlington property in the prior year, partially offset by an \$18.5 million decrease in after-tax non-cash impairment costs, a \$4.2 million after-tax increase of other recoveries, net related to non-recurring insurance claim recoveries, and a \$1.3 million decrease of other items. Excluding these items, net income increased \$53.2 million primarily due to a \$63.6 million after-tax increase primarily driven by the results of our operations, partially offset by a \$10.4 million after-tax increase in interest expense associated with higher outstanding debt balances and higher interest rates.
- Adjusted EBITDA increased \$100.7 million driven by a \$74.4 million increase from the Live and Historical Racing segment primarily due to a record-breaking Derby Week at Churchill Downs Racetrack and growth at our HRM properties; a \$22.5 million increase from the TwinSpires segment primarily due to Exakta; and a \$10.6 million increase from the Gaming segment driven by the opening of the Terre Haute Casino Resort in April 2024, partially offset by inclement weather in January and April 2024. These increases were partially offset by a decrease of All Other adjusted EBITDA of \$6.8 million.

### Adjusted EBITDA

We believe that the use of Adjusted EBITDA as a key performance measure of the results of operations enables management and investors to evaluate and compare from period to period our operating performance in a meaningful and consistent manner. Adjusted EBITDA is a supplemental measure of our performance that is not required by or presented in accordance with GAAP. Adjusted EBITDA should not be considered as an alternative to operating income as an indicator of performance, as an alternative to cash flows from operating activities as a measure of liquidity, or as an alternative to any other measure provided in accordance with GAAP.

## Consolidated Balance Sheet

The following is a summary of our overall financial position:

(in millions)	June 30, 2024	December 31, 2023	Change
Total assets	\$ 7,170.1	\$ 6,955.5	\$ 214.6
Total liabilities	6,123.1	6,061.9	61.2
Total equity	1,047.0	893.6	153.4

Significant items affecting the comparability of our Condensed Consolidated Balance Sheets include:

- Total assets increased \$214.6 million driven by increased capital expenditures primarily at the Terre Haute Casino Resort, Churchill Downs Racetrack, and The Rose Gaming Resort in Virginia.
- Total liabilities increased \$61.2 million driven primarily by increased accounts payable and taxes payable, partially offset by decreased current deferred revenue due to the recognition of revenue related to the 150th Kentucky Derby and the payment of dividends.
- Total equity increased \$153.4 million driven by net income and the addition of a redeemable noncontrolling interest, partially offset by share repurchases.

## Liquidity and Capital Resources

The following table is a summary of our liquidity and cash flows:

(in millions)

Cash flows from:	Six Months Ended June 30,		Change
	2024	2023	
Operating activities	\$ 471.7	\$ 402.6	\$ 69.1
Investing activities	(290.1)	(119.0)	(171.1)
Financing activities	(173.5)	(47.7)	(125.8)

### Six Months Ended June 30, 2024, Compared to the Six Months Ended June 30, 2023

- Cash flows provided by operating activities increased \$69.1 million driven primarily by an increase in operating income, partially offset by increased interest paid in 2024 and decreased distributions from our unconsolidated affiliates. We anticipate that cash flows from operations and availability of borrowings under our credit facility over the next twelve months will be adequate to fund our business operations and capital expenditures.
- Cash flows used in investing activities increased \$171.1 million primarily driven by \$195.7 million proceeds from the Arlington sale received in 2023 that did not recur in 2024.
- Cash flows used in financing activities increased \$125.8 million primarily driven by share repurchases in 2024.

We have announced several project capital investments, including the following: Grandstand Club and Pavilion Renovation at Churchill Downs Racetrack, The Rose Gaming Resort in Northern Virginia, Owensboro Racing and Gaming in Western Kentucky, an Oak Grove HRM annex in Southwestern Kentucky, and a Salem HRM entertainment venue in New Hampshire. We currently expect our project capital to be approximately \$450.0 to \$550.0 million in 2024, although this amount may vary significantly based on the timing of work completed, unanticipated delays, and timing of payments to third parties.

### Common Stock Repurchase Program

On September 29, 2021, the Board of Directors of the Company approved a common stock repurchase program of up to \$500.0 million (the "2021 Stock Repurchase Program"). The 2021 Stock Repurchase Program includes and is not in addition to the unspent amount remaining under the prior authorization. Repurchases may be made at management's discretion from time to time on the open market (either with or without a 10b5-1 plan) or through privately negotiated transactions. The repurchase program has no time limit and may be suspended or discontinued at any time. During the second quarter of 2024, we repurchased 93,874 shares of the Company's common stock under the 2021 Stock Repurchase Program for a total cost of approximately \$13.0 million. We had approximately \$179.9 million of repurchase authority remaining under this program on June 30, 2024, based on trade date.

On January 2, 2024, the Company closed on an agreement, dated December 18, 2023, with an affiliate of The Duchossois Group ("TDG") to repurchase 1,000,000 shares of the Company's common stock, for \$123.75 per share in a privately negotiated transaction for an aggregate purchase price of \$123.8 million. This represented a discount of 4.03% to the closing price on December 15, 2023 of \$128.95. The repurchase of shares of common stock from TDG was approved by the Company's Board of Directors separately from and did not reduce the authorized amount remaining under the existing common stock repurchase program. The repurchase of the shares was funded using available cash and borrowings under the Company's senior secured credit facility.

### Credit Agreement

At June 30, 2024, the Company's senior secured credit facility (as amended from time to time, the "Credit Agreement") consisted of a \$1.2 billion revolving credit facility (the "Revolver"), \$290.2 million senior secured term loan B-1 (the "Term Loan B-1"), \$1.2 billion senior secured term loan A (the "Term Loan A"), and \$100.0 million swing line commitment. On July 3, 2024, the Company closed an amendment of the Credit Agreement to (i) extend the maturity date of the Revolver and Term Loan A from 2027 to 2029 and (ii) amend certain other provisions to the Credit Agreement.

Term Loan B-1 bears interest at the Secured Overnight Financing Rate ("SOFR") plus 210 basis points and requires quarterly payments of 0.25% of the original \$300.0 million balance. The Term Loan B-1 may be subject to additional mandatory prepayment from excess cash flow on an annual basis per the provisions of the Credit Agreement.

The Revolver and Term Loan A bear interest at SOFR plus 10 basis points, plus a variable applicable margin which is determined by the Company's net leverage ratio. As of June 30, 2024, that applicable margin was 150 basis points which was based on the pricing grid in the Credit Agreement. The Company had \$893.5 million available borrowing capacity, after consideration of \$6.0 million in outstanding letters of credit, under the Revolver as of June 30, 2024.

The Company is required to pay a commitment fee on the unused portion of the Revolver as determined by a pricing grid based on the consolidated total net secured leverage ratio of the Company. For the period ended June 30, 2024, the Company's commitment fee rate was 0.25%.

The estimated contractual payments, including interest, under the Credit Agreement for the next twelve months are estimated to be \$209.4 million assuming no change in the weighted average borrowing rate of 7.04%, which was in place as of June 30, 2024. During the six months ended June 30, 2024, we had repayments of principal and interest on the Revolver of \$577.7 million.

The 2028 Senior Notes consist of \$500.0 million notes issued at par and \$200.0 million notes issued at 103.25%. The 2028 Senior Notes were issued in a private offering to qualified institutional buyers, with interest payable in arrears on January 15th and July 15th of each year, commencing on July 15th, 2018. The 3.25% premium is being amortized through interest expense, net over the term of the notes. The Company may redeem some or all of the 2028 Senior Notes at redemption prices set forth in the 2028 Indenture.

### **2030 Senior Notes**

As of June 30, 2024, we had \$1.2 billion in aggregate principal amount of 5.750% senior unsecured notes that mature on April 13, 2030 (the "2030 Senior Notes"). The 2031 Senior Notes were issued at par in a private offering to qualified institutional buyers, with interest payable in arrears on May 1st and November 1st of each year, commencing on November 1st, 2023. The Company may redeem some or all of the 2031 Notes at any time prior to April 25, 2025, at redemption prices set forth in the 2031 Offering Memorandum.

### **Leases**

The Company leases certain real estate and other property. Most of our building and land leases have terms of 2 to 10 years and include one or more options to renew, with renewal terms that can extend the lease term from 1 to 5 years or more. Certain of our lease agreements include lease payments based on a percentage of net gaming revenue and others include rental payment adjustments periodically for inflation. As of June 30, 2024, minimum rent payable under operating leases was \$29.6 million, with \$5.9 million due in the next twelve months. As of June 30, 2024, minimum rent payable accounted for as financing obligations was \$57.5 million, with \$5.0 million due in the next twelve months.

### **Other Contractual Obligations**

The Company has other contractual obligations with commitments of \$12.4 million, \$1.6 million of which is due within the next twelve months.

## **ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK**

We are exposed to market risks arising from adverse changes in:

- general economic trends; and
- interest rate and credit risk.

### **General economic trends**

Our business is sensitive to consumer confidence and reductions in consumers' discretionary spending, which may result from challenging economic conditions, inflation, unemployment levels and other changes in the economy. Demand for entertainment and leisure activities is sensitive to consumers' disposable incomes, which can be adversely affected by economic conditions and unemployment levels. This could result in fewer patrons visiting our racetracks, HRM entertainment venues, online wagering sites, and gaming facilities, and/or may impact our customers' ability to wager with the same frequency and to maintain wagering levels.

### **Interest rate and credit risk**

Our primary exposure to market risk relates to changes in interest rates. On June 30, 2024, we had \$1.8 billion outstanding under our Credit Agreement, which bears interest at SOFR based variable rates. We are exposed to market risk on variable rate debt due to potential adverse changes in these rates. Assuming the outstanding balance of the debt facility remains constant, a one-percentage point increase in the SOFR rate would reduce net income and cash flows from operating activities by \$13.0 million.

## **ITEM 4. CONTROLS AND PROCEDURES**

### **Evaluation of Disclosure Controls and Procedures**

We maintain disclosure controls and procedures designed to ensure that information required to be disclosed in our reports that we file under the Securities Exchange Act of 1934, as amended, is recorded, processed, summarized, and reported within the time periods specified in the Securities and Exchange Commission rules and forms, and that such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosures.

As required by the Securities and Exchange Commission Rule 13a-15(e), we carried out an evaluation, under the supervision and with the participation of management, including our Chief Executive Officer and Chief Financial Officer, of the

effectiveness of the design and operation of our disclosure controls and procedures as of June 30, 2024. Based upon the foregoing, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures were effective.

***Changes in Internal Control over Financial Reporting***

There has been no change in our internal controls over financial reporting during our most recent fiscal quarter that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting. Our process for evaluating controls and procedures is continuous and encompasses constant improvement of the design and effectiveness of established controls and procedures.

NON-EMPLOYEE DIRECTOR**

**RESTRICTED STOCK AGREEMENT**

THIS RESTRICTED STOCK AGREEMENT (the "Agreement") is made as of the \_\_\_ day of \_\_\_\_\_, 20\_\_ by and between \_\_\_\_\_ (the "Participant"), who resides at \_\_\_\_\_, and Churchill Downs Incorporated (the "Company"), a Kentucky corporation with its principal place of business at 600 North Hurstbourne Parkway, Suite 400, Louisville, KY 40222, pursuant to the provisions of the Churchill Downs Incorporated 2016 Omnibus Stock Incentive Plan (the "Plan").

WITNESSETH:

WHEREAS, the Compensation Committee of the Board of Directors of the Company (the "Board") has determined that part of the annual retainer compensation for the service of non-employee members of the Board ("Director") shall be paid in the form of restricted shares of the Company's common stock, no par value per share ("Common Stock");

WHEREAS, on February 24, 2016, the Board adopted the Plan, which was approved by the shareholders of the Company at the 2016 Annual Meeting of Shareholders on April 27, 2016;

WHEREAS, the Plan provides for the granting of restricted shares of the Common Stock in accordance with the terms and provisions thereof; and

WHEREAS, Participant is a non-employee Director who the Compensation Committee of the Board considers to be a person eligible for grants of restricted shares of the Common Stock and has determined that it would be in the best interest of the Company to grant the Participant the restricted Shares of the Common Stock documented herein.

NOW, THEREFORE, in consideration of the foregoing and the mutual undertakings herein contained, and for other good and valuable consideration, the mutuality, receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Grant of Stock. In accordance with the terms of the Plan and subject to the further terms, conditions and restrictions contained in this Agreement, the Company hereby grants to the Participant \_\_\_ shares (the "Shares") of the Company's Common Stock on the date first above written, in consideration for services to be performed by the Participant as Director of the Company. As long as the Shares are subject to the Restrictions set forth in Section 4 of this Agreement, such shares shall be deemed to be, and are referred to in this Agreement as, the "Restricted Shares".

2. Certificates for Shares/Book Entry. Certificates (or alternatively, where applicable and permitted by applicable law and the rules of an applicable stock exchange, book entries) evidencing Restricted Shares shall be deposited (or recorded) with the Company to be held in escrow until such Shares are released to the Participant or forfeited in accordance with

this Agreement. The Participant shall, simultaneously with the execution and delivery of this Agreement, execute and deliver to the Company a stock power in blank with respect to the Restricted Shares. If any Restricted Shares are forfeited, the Company shall direct the transfer agent of the Common Stock to make the appropriate entries in its records showing the cancellation of the certificate or certificates (or, as applicable, the book entries) for such Restricted Shares.

3. Adjustments in Restricted Shares.

- (a) In the event of any change in the outstanding Common Stock by reason of a stock dividend or distribution (or distribution on Common Stock of any security convertible into securities of the Company), recapitalization, merger, consolidation, split-up, combination, subdivision, reclassification, exchange of shares or the like, the Compensation Committee shall make equitable adjustments in the Restricted Shares so that the shares represent the same percentage of the Company's equity as was the case immediately prior to such change. Any new, additional or different securities to which the Participant shall be entitled in respect of Restricted Shares by reason of such adjustment shall be deemed to be Restricted Shares and shall be subject to the same terms, conditions and restrictions as the Restricted Shares so adjusted.
- (b) In the event Company merges, consolidates or effects a share exchange with another entity, or all or a substantial portion of Company's assets or outstanding capital stock are acquired (whether by merger, purchase or otherwise) by another entity (any such entity being hereafter referred to as the "Successor") each of the Restricted Shares shall automatically be converted into and replaced by shares of common stock, or such other class of securities having rights and preferences no less favorable than the Restricted Shares, of the Successor, and the number of Restricted Shares shall be correspondingly adjusted, so that the Participant shall have the right to that number of shares of common stock of the Successor that have a value equal, as of the date of the merger, conversion or acquisition, to the value, as of the date of the merger, conversion or acquisition, of the Restricted Shares.

4. Restrictions. During applicable period of restriction determined in accordance with Section 6 of this Agreement, Restricted Shares, and all rights with respect to such Shares, may not be sold, assigned, transferred, exchanged, pledged, hypothecated or otherwise encumbered or disposed of and shall be subject to the risk of forfeiture contained in Section 5 of this Agreement (such limitations on transferability and risk of forfeiture being herein referred to as the "Restrictions"), but the Participant shall have all other rights of a stockholder; provided, however, that, until such time as the Restrictions lapse, the Participant shall not have the right to vote the Restricted Shares; receive dividends thereon (dividends shall accrue and vest and be paid at the same time as the Restrictions lapse); or purchase any securities pursuant to that certain Rights Agreement dated as of March 19, 2008, between the Company and National City Bank, as amended, and as the same may be amended, modified or supplemented from time to time.

5. Forfeiture of Restricted Shares. Subject to Section 6 below, in the event that the Participant ceases to serve as a Director of the Company for any reason, such event shall constitute an “Event of Forfeiture” and all Shares which at that time are Restricted Shares shall thereupon be forfeited by the Participant to the Company without payment of any consideration by the Company, and neither the Participant nor any heir, personal representative, successor or assign of the Participant shall have any right, title or interest in or to such Restricted Shares or any certificates (or book entries) evidencing the same.

6. Lapse of Restrictions. The Restrictions on the Restricted Shares shall lapse upon the earlier of (i) the twelve (12) month anniversary of the date of this Agreement and (ii) the day immediately preceding the annual meeting of shareholders of the Company next occurring after the date of this Agreement, provided that Participant is a Director of the Company on such date, or upon an earlier Change in Control, death or Disability. Notwithstanding the foregoing, actions taken in compliance with that certain Stockholder’s Agreement dated as of September 8, 2000, among the Company, Duchossois Industries, Inc. and subsequent signatories thereto, as amended from time to time, shall not be deemed a Change in Control. For purposes of this Agreement, “Disability” means that Participant becomes “disabled” within the meaning of Section 409A(a)(2)(C) of the Code or any successor provision and the applicable regulations thereunder. Upon the lapse of the Restrictions in accordance with this Section, the Company shall, as soon as practicable thereafter, deliver to the Participant a certificate (or record as a book entry and deliver evidence of same to the Participant) (without any restrictive endorsement referring to such Restrictions) for the Shares that are no longer subject to such Restrictions.

7. Nature of Grant. In accepting the Restricted Shares, Participant acknowledges that: (i) the Plan is established voluntarily by the Company, is discretionary in nature and may be modified, amended, suspended or terminated at any time, unless otherwise provided in this Agreement; (ii) the grant of the Restricted Shares does not create any contractual or other right to receive future grants of Restricted Shares, or benefits in lieu of Restricted Shares; (iii) all decisions with respect to future Restricted Share grants, if any, will be at the sole discretion of the Board; (iv) Participant is voluntarily entering into this Agreement; and (v) the value of Restricted Shares may increase or decrease in value, and no claim or entitlement to compensation or damages shall arise from forfeiture of Restricted Shares or from any diminution in value of the Restricted Shares.

8. Withholding Requirements. Whenever Restrictions lapse with respect to Restricted Shares, the Company shall have the right to (i) withhold from sums due to the Participant; (ii) require the Participant to remit to the Company; or (iii) retain Shares otherwise deliverable to the Participant; in an amount sufficient to satisfy any Federal, state or local withholding tax requirements prior to making such payments or delivering any such Shares to the Participant.

9. Effect Upon Position as a Director. Nothing contained in this Agreement shall confer upon Participant the right to continue in his or her position as a Director of the Company or affect any right that the Company may have to remove Participant as a Director of the Company.

12. Notices. Notices shall be deemed delivered if delivered personally or three days after being deposited in the United States mail to the Company in care of its Secretary at its executive offices at 600 North Hurstbourne Parkway, Suite 400, Louisville, KY 40222, and to Participant at the current address shown on the payroll records of the Company, or at such other address as either party may hereafter designate in writing to the other.
