# PROXY STATEMENT

# Annual Meeting of Shareholders To Be Held on June 20, 2002

The enclosed Proxy is being solicited by the Board of Directors (the "Board of Directors") of Churchill Downs Incorporated (the "Company") to be voted at the 2002 Annual Meeting of Shareholders to be held on Thursday, June 20, 2002, at 10:00 a.m., E.D.T. (the "Annual Meeting"), at the Churchill Downs Trackside (formerly, Sports Spectrum), 4520 Poplar Level Road, Louisville, Kentucky, and any adjournments thereof. This solicitation is being made primarily by mail and at the expense of the Company. Certain officers and directors of the Company and persons acting under their instruction may also solicit Proxies on behalf of the Board of Directors by means of telephone calls, personal interviews and mail at no additional expense to the Company. The Proxy and this Proxy Statement are being sent to shareholders on or about May 6, 2002.

Voting Rights

Only holders of record of the Company's Common Stock, No Par Value ("Common Stock"), on April 24, 2002, are entitled to notice of and to vote at the Annual Meeting. On that date, 13,114,908 shares of Common Stock were outstanding and entitled to vote. Each shareholder has one vote per share on all matters coming before the Annual Meeting, other than the election of directors. In the election of directors, a shareholder is entitled by Kentucky law to exercise "cumulative" voting rights; that is, the shareholder is entitled to cast as many votes as equals the number of shares owned by the shareholder multiplied by the number of directors to be elected and may cast all such votes for a single nominee or distribute them among the nominees in any manner that the shareholder desires. Shares represented by proxies received may be voted cumulatively (see "Election of Directors"). Under the Company's Articles of Incorporation and Bylaws and the Kentucky statutes, abstentions and broker non-votes on any matter are not counted in determining the number of votes required for the election of a director or passage of any matter submitted to the shareholders. Abstentions and broker non-votes are counted for purposes of determining whether a quorum exists.

If the enclosed Proxy is properly executed and returned prior to the Annual Meeting, the shares represented thereby will be voted as specified therein. IF A SHAREHOLDER DOES NOT SPECIFY OTHERWISE, THE SHARES REPRESENTED BY THE SHAREHOLDER'S PROXY WILL BE VOTED FOR THE ELECTION OF THE NOMINEES LISTED BELOW UNDER "ELECTION OF DIRECTORS," FOR APPROVAL OF THE PROPOSED INCREASE IN SHARES OF COMMON STOCK AVAILABLE FOR ISSUANCE UNDER THE CHURCHILL DOWNS INCORPORATED 1997 STOCK OPTION PLAN, FOR APPROVAL OF THE MINUTES OF THE 2001 ANNUAL MEETING OF SHAREHOLDERS AND IN THE DISCRETION OF THE PERSON OR PERSONS VOTING THE PROXIES ON SUCH OTHER BUSINESS AS MAY PROPERLY COME BEFORE THE ANNUAL MEETING OR ANY ADJOURNMENTS THEREOF.

Revocation of Proxy

A proxy may be revoked at any time before the shares it represents are voted by giving written notice of revocation to the Secretary of the Company and such revocation shall be effective for all votes after receipt.

The Chairman of the Board could continue to serve as a director notwithstanding this provision. The Board of Directors amended the Bylaws in 2000 to eliminate the age limitation on election as a director.

Six (6) meetings of the Board of Directors were held during the last fiscal year. During 2001, directors, other than Directors Emeriti, were paid \$750 for each meeting of the Board of Directors that they attended. They were entitled to have their expenses reimbursed.

The Company currently has three (3) standing committees: the Executive, Audit, and Compensation Committees. In 2001, the Board of Directors amended the company's Bylaws to make the Racing Committee optional. No Director Emeritus serves on any Board committee.

#### Option Plan to Increase the Number of Shares of Common Stock Available For Issuance Under the Plan from 600,000 Shares to 1,200,000 Shares (Proposal No. 2)

On November 20, 1997, the Board of Directors adopted the Churchill Downs Incorporated 1997 Stock Option Plan (the "1997 Option Plan"), which also became effective on the same date and was approved by the Company's shareholders at the Annual Meeting held on June 18, 1998. The purpose of the 1997 Option Plan is to promote the Company's interest by affording an incentive to key employees to remain in the employ of the Company and its subsidiaries and to use their best efforts on its behalf and to aid the Company and its subsidiaries in attracting, maintaining and developing capable personnel of a caliber required to ensure the continued success of the Company.

On March 14, 2002, the Board of Directors adopted a proposal to amend the 1997 Option Plan to increase the aggregate number of shares of Common Stock available for issuance thereunder from 600,000 to 1,200,000 shares, subject to shareholder approval at the Annual Meeting.

As of April 1, 2002, there were stock options granted under the 1997 Option Plan covering 586,980 shares of Common Stock held by 46 persons and only 3,469 shares of Common Stock remain available for future awards under the 1997 Option Plan. The proposed amendment is expected to provide a sufficient number of additional shares under the 1997 Option Plan for awards thereunder through the year 2004.

At the Annual Meeting, the shareholders will be asked to approve this amendment of the 1997 Option Plan. Approval of the amendment to the 1997 Option Plan by the Company's shareholders is required under the terms of the 1997 Option Plan and is required to qualify the options for favorable tax treatment as incentive stock options ("ISOs") under Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"). This amendment to the 1997 Option Plan will not become effective unless approved by the holders of record of a majority of the shares of the Company's Common Stock present in person or represented by proxy at the Annual Meeting.

UNLESS OTHERWISE INSTRUCTED, IT IS THE INTENTION OF THE PERSONS NAMED IN THE PROXY TO VOTE THE SHARES REPRESENTED THEREBY IN FAVOR OF THE PROPOSAL TO AMEND THE 1997 OPTION PLAN.

The following constitutes a brief discussion of the material features of the 1997 Option Plan as proposed to be amended and is qualified in its entirety by reference to the copy of the 1997 Option Plan as proposed to be amended which is attached as Exhibit A to this Proxy Statement. The 1997 Option Plan permits the grant of both incentive stock options or ISOs, within the meaning of Section 422 of the Code, and nonqualified stock options or NSOs. Employees designated by the Compensation Committee, including officers of the Company, may be granted incentive and nonqualified stock options. As of April 1, 2002, the Company had approximately 1,200 full-time employees.

Options granted under the 1997 Option Plan may be accompanied by stock appreciation rights or SARs. The grant of an SAR permits the optionee to surrender an option and receive in exchange cash or, if permitted, shares of Common Stock with a value equal to the excess of the fair market value of the stock subject to the option over the exercise price.

The 1997 Option Plan is administered by the Compensation Committee of the Board of Directors (the "Compensation Committee"). None of the members of the Compensation Committee is eligible to receive options under the 1997 Option Plan. The Compensation Committee selects the employees who will be granted options and determines the number of shares subject to each option, fixes the period during which each option may be exercised and fixes the prices at which shares subject to options may be purchased. The Compensation Committee may provide in the option agreement for acceleration of the vesting of an option or SAR on a change in control in the Company or on the death or disability of the optionee. The

14

Compensation Committee makes any other determinations necessary or advisable for the administration of the Option Plan.

A total of 1,190,449 shares of Common Stock will be reserved for issuance under the 1997 Option Plan (representing 9.0% of the total number of shares of Common Stock outstanding on April 1, 2002, as adjusted to reflect the issuance of such additional shares). Currently, 590,449 shares are reserved for issuance under the 1997 Option Plan. The shares to be issued under the 1997 Option Plan will be currently authorized but unissued shares of Common Stock of the Company. The number of shares of the Company's Common Stock available under the 1997 Option Plan or under an option or SAR will be automatically adjusted in the event of a stock dividend, stock split, reorganization, merger, consolidation or a combination or exchange of shares. Shares of the Company's Common Stock subject to unexercised options that expire or are terminated prior to the end of the period during which options may be granted will be restored to the number of shares available for issuance under the 1997 Option Plan.

Each option granted under the 1997 Option Plan will be evidenced by an agreement which will establish the period in which the option may be exercised. The maximum term of each ISO is ten (10) years except for an ISO granted to an employee beneficially owning more than ten percent (10%) of the Common Stock ("Ten Percent Shareholder"). The exercise period for ISOs granted to a Ten Percent Shareholder will not exceed five (5) years from the date of grant. The exercise price of all ISOs granted under the 1997 Option Plan must be at least 100% of the fair market value of such shares on the date of grant or, in the case of an ISO granted to a Ten Percent Shareholder, 110% of the fair market value of such shares on such date. The exercise price of any NSO will be established by the Compensation Committee and is not required to be the fair market value of the shares as of the date of grant. There is also a \$100,000 limit on the value of stock (determined as of the date of grant) covered by ISOs that first become exercisable by an optionee in any calendar year.

None of the options may be exercised until the optionee has remained employed by the Company or one of its subsidiaries for a period of time specified by the Committee in the option agreement, which shall not be less than one (1) year. In addition, no part of any option may be exercised to the extent that the exercise would cause the optionee to have compensation from the Company for any year in excess of \$1,000,000 and which is nondeductible by the Company pursuant to Section 162(m) of the Code and the regulations issued thereunder. The purchase price of the shares to be paid to the Company at the time of exercise may be paid in cash by the optionee or a broker utilized by the optionee or in such other consideration as the Committee deems appropriate, including Common Stock already owned by the optionee.

An optionee may exercise an SAR only at such time as the related option may be exercised and only at such times as the fair market value of a share of Common Stock on the exercise date exceeds the option exercise price of the related option.

Options granted pursuant to the 1997 Option Plan are not transferable except upon the death of an optionee, in which event, they may be transferred only by will or in accordance with and to the extent provided for in the laws of descent and distribution. If an optionee's employment with the Company shall terminate for any reason other than death, disability or retirement, all rights to exercise his options shall terminate at the earlier of the date of such termination of employment or the date of written notice of such employment termination. If an optionee's employment with the Company is terminated due to death or disability, the optionee's options may be exercised at the earlier of the expiration date of the options or (1) year after the date of termination. If the optionee's employment terminates by reason of his retirement, unless provided otherwise in the option agreement for an NSO, his right to exercise his options shall terminate at the earlier of the expiration date of the options or five (5) years after termination of employment. The Compensation Committee may provide in the option agreement for the lapse of an option or SAR sooner than the foregoing times.

15

ISOs granted under the 1997 Option Plan are intended to be "incentive stock options" as defined by Section 422 of the Code. Under present law, the optionee of an ISO will not realize taxable income upon the grant or the exercise of the ISO. The Company will not receive an income tax deduction at either such time. If the optionee does not dispose of the shares of the Company's Common Stock acquired upon exercising an ISO within either (i) two (2) years after the grant of the ISO or (ii) one (1) year after the date shares of the Company's Common Stock are transferred to the optionee pursuant to the exercise of the ISO, the gain upon a subsequent disposition of the shares will be taxed at capital gain rates. If the optionee, within either of the above periods, disposes of the shares of the Company's Common Stock acquired upon exercise of the ISO, the optionee will recognize as ordinary income an amount equal to the difference between the exercise price and the fair market value of the shares on the date of exercise. In such event, the Company would be entitled to a corresponding income tax deduction equal to the amount recognized as ordinary income by the optionee. The gain in excess of such amount recognized by the optionee as ordinary income would be taxed as long-term capital gain or short term capital gain (subject to the holding period requirements for long-term or short-term capital gain treatment).

The exercise of an ISO will result in the excess of the stock's fair market value on the date of exercise over the exercise price being included in the optionee's alternative minimum taxable income. Liability for the alternative minimum tax is complex and depends upon an individual's overall tax situation.

Upon exercise of an NSO granted under the 1997 Option Plan, which is subject to applicable income and employment tax withholding, or upon the exercise of an ISO that does not qualify for the tax treatment described above, the optionee will realize ordinary income in an amount equal to the excess of the fair market value of the shares of the Common Stock received over the exercise price of such shares. That amount increases the optionee's basis in the stock acquired pursuant to the exercise of the NSO or ISO not qualifying for the tax treatment described above. Upon a subsequent sale of the stock, the optionee will recognize short-term or long-term capital gain or loss depending upon his holding period for the stock and upon the stock's subsequent appreciation or depreciation in value. The Company will be allowed a federal income tax deduction for the amount recognized as ordinary income by the optionee upon the optionee's exercise of the option.

The holder of an SAR is taxed at ordinary income rates on the amount of cash or fair market value of stock received at the time the SAR is exercised.

At its November 15, 2001, meeting, the Compensation Committee of the Board of Directors granted 100,104 NSOs and 95,351 ISOs under the 1997 Option Plan. On other dates during 2001, stock option grants were made to three (3) newly-hired officers for hiring grant totals of 11,396 NSOs and 8,729 ISOs. The options granted in 2001 are not exercisable during the first three (3) years after the date of grant but become exercisable in full on the third anniversary of the date of grant.

16

The following table sets forth the number of options granted under the 1997 Plan during 2001 with respect to the named executive officers, all current executive officers as a group, and all employees, including all current officers who are not executive officers, as a group:

- (3) See the Tables on Option Grants in Last Fiscal Year and Aggregate Year-End Option Values under "Executive Compensation" below for a discussion of stock options granted to the named executives by the Board.
- (4) Scott A. Mordell was not serving as an executive officer of the Company at the end of 2001 but was a named executive officer in 2001. All options granted to Mr. Mordell by the Company terminated on August 31, 2001, when he resigned his employment with the Company.

- The equity compensation plans of the Company which have been approved by the shareholders of the Company are the Churchill Downs Incorporated 2000 Employee Stock Purchase Plan ("Stock Purchase Plan"), the Churchill Downs Incorporated 1993 Stock Option Plan ("1993 Plan") and the Churchill Downs Incorporated 1997 Stock Option Plan ("1997 Plan"). Both the 1993 Plan and the 1997 Plan allow one- to three-year option vesting periods and both Plans require that options expire ten (10) years after the date of grant, if not earlier under certain circumstances.
- Of this total, 306,157 shares of Common Stock of the Company will be issued upon the exercise of outstanding options granted under the 1993 Plan and 593,669 shares of Common Stock of the Company will be issued upon the exercise of outstanding options granted under the 1997 Plan.
- Because each participant in the Stock Purchase Plan has one option each plan year and that option consists of the number of shares which can be purchased, through exercise, at the end of the plan year using compensation deductions made throughout the plan year, no outstanding options, warrants or rights for a specific number of the Company's securities to be issued upon exercise exist at this time and, therefore, none are included in this total for the Stock Purchase Plan.
- Of this total, as of December 31, 2001, 6,203 shares of Common Stock of the Company remained available for future issuance under the 1993 Plan, 3,469 shares of Common Stock of the Company remained available for future issuance under the 1997 Plan, and 43,214 shares of Common Stock of the Company remained available for future issuance under the Stock Purchase Plan.

#### **Compensation Committee Report on Executive Compensation**

Under rules established by the SEC, the Compensation Committee is required to disclose: (1) the Compensation Committee's compensation policies applicable to the Company's executive officers; (2) the relationship of executive compensation to Company performance; and (3) the Compensation Committee's bases for determining the compensation of the Company's Chief Executive Officer ("CEO"), Thomas H. Meeker, for the most recently completed fiscal year. Pursuant to these requirements, the Compensation Committee has prepared this report for inclusion in the Proxy Statement.

The Compensation Committee consists of five (5) independent Directors, none of whom has ever been employed by the Company. The Compensation Committee annually reviews executive officer compensation and makes recommendations to the Board of Directors on all matters related to the structure of the Company's executive compensation programs. The Compensation Committee's authority and oversight extend to total executive compensation, including base salaries, incentive and other compensation programs, supplemental benefit plans, deferred compensation plans, stock option plans and stock purchase plans, for the Company as well as the administration of the employment contracts of the Company's chief executive officer and chief financial officer. The Compensation Committee also reviews compensation data from comparable companies.

The fundamental philosophy of the Compensation Committee is to assure that the Company's compensation program for executive officers links pay to business strategy and performance in a manner which is effective in attracting, motivating and retaining key executives while also providing performance incentives which will inure to the benefit of executive officers and shareholders alike. The objective is to provide total compensation commensurate with Company performance by combining salaries and benefits that are competitive in the marketplace with incentive opportunities established by the Compensation Committee which are competitive with median levels of competitors' incentive compensation. The Compensation Committee has determined that as an executive's level of responsibility increases, a greater portion of his or her compensation should be based upon the Company's performance. The Compensation Committee also believes that the Company's compensation program should include an individual performance component to reward employees whose job performance does not directly affect revenues.

The Compensation Committee has structured executive compensation based upon this philosophy. There are three (3) basic elements of the Company's executive compensation program, each determined by individual and corporate performance: (1) base salary compensation, (2) annual variable performance incentive compensation earned under the Company's 1997 Incentive Compensation Plan (the "ICP") and (3) stock option grants made under the Company's 1993 Stock Option Plan (the "1993 Option Plan"), and stock option grants and stock appreciation rights under the Company's 1997 Stock Option Plan (the "1997 Option Plan") (the 1993 Option Plan and the 1997 Option Plan are, collectively, the "Option Plans").

Base salaries are targeted to be competitive with similar positions in comparable companies. In determining base salaries, the Compensation Committee also takes into account individual experience and performance and issues specific to the Company.

The ICP is designed to reward employees' short term performance by providing for the award of a cash bonus if annual goals based upon the Company's pre-tax earnings, as well as the performance of the employee and the corporate center or business unit in which the employee works, are achieved. The award of bonuses is based initially on the Company's achievement of certain target pre-tax earnings goals established by the Compensation Committee. The amount of each bonus is then determined by the Company's performance [measured by earnings (computed before taxes but after recognition of awards made under the ICP)], the corporate center or business unit in which that employee works and that employee's performance.

The third component of executive compensation is the 1993 Option Plan and the 1997 Option Plan. The Compensation Committee believes that the granting of options and stock appreciation rights to

19

officers of the Company, including Mr. Meeker, will further the Company's goals of attracting, motivating and retaining employees while also providing compensation which links pay to the Company's long-term performance. During 2001, all officers were granted a total of 111,500 nonqualified stock options and 104,080 incentive stock options. All of these options are exercisable in 2004 and all were granted under the 1997 Option Plan. The Option Plans provide for cashless exercises through broker's transactions.

The Compensation Committee believes that the Option Plans are integral to a performance based compensation package because their reward is based upon the Company's long-term performance. The Option Plans allow the Company to further tie compensation to performance of the Company with a possibility of increasing the total compensation package of its executives without an equivalent cash outlay by the Company.

Mr. Meeker was employed as President and Chief Executive Officer of the Company in October 1984 under an annually renewing three-year contract. Each year, Mr. Meeker's base salary is set by the Compensation Committee after considering the Company's overall financial performance in light of the Company's strategic development initiatives. For 2001, Mr. Meeker's annual base salary was set at \$450,000. Mr. Meeker's base salary is adjusted periodically to incorporate cost of living increases and to keep his salary competitive with similar positions in comparable companies. For 2001, the Compensation Committee awarded an additional discretionary bonus to Mr. Meeker to recognize his individual contribution to the Company's performance in 2001. This approach reflects the Committee's philosophy to shift a great portion of Mr. Meeker's overall compensation to sources based upon the Company's overall performance, while recognizing his individual contribution to that performance.

## **Performance Graph**

Set forth below is a line graph comparing the yearly percentage change in the cumulative total shareholder return on the Company's Common Stock against the cumulative total return of a peer group index and the NASDAQ Market Index for the period of approximately five (5) fiscal years commencing January 1, 1997 and ending December 31, 2001. The peer group index used by the Company is the Media General Leisure Industry Group index, which is a published industry peer index of companies engaged in the leisure industry. As its broad equity market index, the Company uses the NASDAQ Market Index which measures the performance of stocks listed on the NASDAQ National Market and the NASDAQ Small Cap Market. The graph depicts the result of an investment of \$100 in the Company, the NASDAQ Market Index and the Media General Leisure Industry Group index. Because the Company has historically paid dividends on an annual basis, the performance graph assumes that dividends were reinvested annually.

The Company maintains a Supplemental Benefit Plan (the "Plan") in which Mr. Meeker is currently the only participant. The Plan provides that if a participant remains in the employ of the Company until age 55 or becomes totally and permanently disabled, the participant will be paid a monthly benefit equal to 45% of the "highest average monthly earnings," as defined in the Plan, prior to the time of disability or age 55, reduced by certain other benefits as set forth in the Plan. Benefits commence at retirement on or after attainment of age 55, and continue as a 50% joint and survivor annuity. The benefit payable under the Plan is increased by 1% for each year Mr. Meeker remains in the employment of the Company after age 55, to a maximum benefit of 55% of the highest average monthly earnings at age 65. The Plan further provides that the monthly benefit will be reduced by [a] 100% of the primary insurance amount under social security payable to a participant determined as of the later of the participant's retirement date or attainment of age 62; [b] 100% of the participant's monthly benefit calculated in the form of a 50% joint and survivor annuity under the Company's terminated Pension Plan; [c] 100% of the monthly income option calculated as a 50% joint and survivor annuity from the cash surrender value of all life insurance policies listed on a schedule attached to the participant's plan agreement; and [d] 100% of the employer contributions and any employee contributions up to a maximum of \$2,000 per year allocated to the participant's accounts under the Company's Profit Sharing Plan, calculated in the form of a 50% joint and survivor annuity payable on his retirement date. If Mr. Meeker retires at age 59 or later (a) the reduction for Social Security is 50% of the primary insurance amount rather than 100% of that amount; (b) the reduction for the life annuity from the life insurance cash surrender value is eliminated; and (c) the reduction for the life annuity from the plan is \$277,126. This estimate is based

Company prior to the expiration of his employment agreement only if he willfully fails to perform his duties under his employment agreement or otherwise engages in misconduct that injures the Company. Pursuant to Mr. Meeker's employment agreement, in the event of both a "change in control" of the Company and, within one (1) year of such "change in control," either termination of Mr. Meeker's employment by the Company without "just cause" or his resignation, the Company will pay to Mr. Meeker an amount equal to three (3) times his average annual base salary over the prior five (5) years. A "change in control" is defined generally to include the sale by the Company of all or substantially all of its assets, a consolidation or merger involving the Company, the acquisition of over 30% of the Common Stock in a tender offer or any other change in control of the type which would be required to be reported under the Federal securities laws; however, a "change in control" will not be deemed to have occurred in the case of a tender offer or change reportable under the Federal securities laws, unless it is coupled with or followed by the election of at least one-half of the directors of the Company to be elected at any one (1) election and the election of such directors has not been previously approved by at least two-thirds of the directors in office prior to such change in control.

In March of 1997, the Company and Mr. Decker entered into an employment agreement whereby Mr. Decker was employed as the Company's Senior Vice President, Finance and Development, and Chief Financial Officer. As of January 1999, Mr. Decker became the Company's Executive Vice President and Chief Financial Officer. Mr. Decker's compensation for 2002 includes a base salary of \$266,500, reimbursement for reasonable travel and entertainment expenses (including his wife's travel expenses on the Company's business), provision of an automobile and payment of dues for one (1) country club and a mutually acceptable number of professional or business clubs and associations. The Company may terminate Mr. Decker and Mr. Decker may resign at any time. If the Company terminates Mr. Decker without just cause, then the Company must pay Mr. Decker one (1) year's base salary. "Just cause" means the willful and continued failure by Mr. Decker to substantially perform his duties, the willful engaging by Mr. Decker in misconduct which is materially injurious to the Company, monetarily or otherwise, or the willful violation by Mr. Decker of the terms of his employment agreement.

#### **Certain Relationships and Related Transactions**

During the past fiscal year, the Company did not engage in any transactions in which any director, officer or 5% shareholder of the Company had any material interest, except as described below.

Directors of the Company may from time to time own or have interests in horses racing at the Company's tracks. All such races are conducted, as applicable, under the regulations of the Kentucky Racing Commission, the Illinois Racing Board, the Indiana Horse Racing Commission, the California Horse Racing Board or the Florida Department of Business and Professional Regulation Division of Pari-Mutuel Wagering, and no director receives any extra or special benefit with regard to having his horses selected to run in races or in connection with the actual running of races.

One or more directors of the Company have an interest in business entities which contract with the Company (including its wholly or partially owned subsidiaries), Hoosier Park, L.P. ("Hoosier Park"), Churchill Downs California Company and Churchill Downs California Fall Operating Company (collectively, "Hollywood Park"), Calder Race Course, Inc., and Tropical Park, Inc. (collectively, "Calder"), Arlington Park Racecourse, LLC ("Arlington Park") and Ellis Park, Inc. ("Ellis Park") (collectively, "Affiliates"), for the purpose of simulcasting the Kentucky Derby and other races and the acceptance of

25

intrastate or interstate wagers on such races. In such case, no extra or special benefit not shared by all others so contracting with the Company is received by any director or entity in which such director has an interest.

Mr. Charles W. Bidwill, Jr., a director of the Company, is the Chairman and a 14.42% owner of National Jockey Club. In 2001 National Jockey Club and the Company and its Affiliates were parties to simulcasting contracts whereby National Jockey Club was granted the right to simulcast the Affiliates' respective races and the Company's races, including the Kentucky Oaks—Grade I race and the Kentucky Derby—Grade I race. In consideration for these rights, National Jockey Club paid to the Company 7.80% of its gross handle on common pool wagers and 9.2% of its gross handle on Illinois separate pool wagers on the Kentucky Oaks—Grade I race and the Kentucky Derby—Grade I race, 3.50% of gross handle on other races simulcast from Churchill Downs and 3.30% of gross handle on simulcast races from Hollywood Park Racetrack. In 2001, National Jockey Club and the Company and its Affiliates were also parties to simulcasting contracts whereby the Company and its Affiliates were granted certain rights to simulcast National Jockey Club's thoroughbred races. In consideration for these rights, the Company and its Affiliates paid to National Jockey Club 3.0% of each track's respective gross handle on the National Jockey Club's simulcast races. For purposes of these and other simulcast contracts, gross handle is defined as the total amount wagered by patrons on the races at the receiving facility less any money returned to the patrons by cancels and refunds. These simulcast contracts are uniform throughout the industry and the rates charged were substantially the same as rates charged to other parties who contracted to simulcast the same races. In 2001, the Company and its Affiliates simulcasted their races to over 1,000 locations in the United States and selected international sites. National Jockey Club received no extra or special benefit as a result of the Company's relationship with Mr. Bidwill.

Mr. Brad M. Kelley, a director and 8.8% owner of the Company, is a member and the majority owner (52%) of Kentucky Downs, LLC ("Kentucky Downs"). The Company has a 24% ownership interest in Kentucky Downs, a thoroughbred racing association which also serves as a pari-mutuel off-track betting facility receiving simulcast transmissions of races conducted at the Company's racetracks. In 2001, Kentucky Downs and the Company and its Affiliates were parties to simulcasting contracts whereby Kentucky Downs was granted the right to simulcast the Company's and its Affiliates' respective races. In consideration for these rights with regard to the Company and Ellis Park, Kentucky Downs paid to the Company and to Ellis Park, respectively, the percentages of moneys wagered which are required by KRS 230.377, et seq. In consideration for these rights, with respect to the other Affiliates, Kentucky Downs paid 3.35% of its gross handle on races simulcast from Hollywood Park, 3.25% of its gross handle on races simulcast from Tropical Meet at Calder, and 3.0% on the other races simulcast from Affiliates. In 2001, Kentucky Downs and the Company and its Affiliates, except Hollywood Park, were also parties to simulcasting contracts whereby the Company and its Affiliates were granted the right to simulcast Kentucky Downs' thoroughbred races. In consideration for these rights with regard to the Company and Ellis Park, the Company and Ellis Park, respectively, paid to Kentucky Downs the percentages of moneys wagered which are required by KRS 230.377, et seq. In consideration for these rights, Hoosier Park, Arlington Park and Calder, respectively, paid to Kentucky Downs 3.0% of each track's gross handle on races simulcast from Kentucky Downs. For purposes of these and other simulcast contracts, gross handle is defined as the total amount wagered by patrons on the races at the receiving facility less any money returned to the patrons by cancels and refunds. These simulcast contracts are uniform within Kentucky and throughout the industry

On September 8, 2000, Arlington, then a wholly-owned subsidiary of the Company, entered into a lease and option to purchase agreement ("Lease") by which Arlington leases from Duchossois Industries, Inc. approximately 68 acres of real estate adjacent to the racetrack in Arlington Heights, Illinois, for

26

use in Arlington's backside operations. For 2001, Arlington paid \$259,930.84 to Duchossois Industries, Inc., pursuant to the Lease.

Thomas H. Meeker, President and Chief Executive Officer of the Company, is currently indebted to the Company in the principal amount of \$65,000, represented by his demand note bearing interest at 8% per annum (payable quarterly) and payable in full upon termination of Mr. Meeker's employment with the Company for any reason. This indebtedness arose in connection with Mr. Meeker's initial employment, pursuant to the terms of which he was granted a loan by the Company for the purpose of purchasing the Company's Common Stock.

Steven P. Sexton, President of Arlington Park Racecourse, LLC, was indebted to the Company during 2001 in the principal amount of \$260,000, represented by his demand note bearing interest at 0% per annum. This obligation was paid in full in 2001. Mr. Sexton is currently indebted to the Company in the principal amount of \$300,000, represented by his demand note bearing interest at 0% interest per annum and payable in full upon Mr. Sexton's resignation of employment; provided, however, this indebtedness will be forgiven in \$60,000 increments each year for five consecutive years beginning in his sixth year of employment. Both loans were made in connection with Mr. Sexton's initial employment, pursuant to the terms of which he was granted loans by the Company for the purpose of purchasing a house and otherwise for Mr. Sexton's relocation to the Chicago area.

At its meeting held on March 14, 2002, the Board of Directors adopted the recommendation of the Audit Committee and selected PricewaterhouseCoopers, LLP ("PwC"), to serve as the Company's independent public accountants and auditors for the fiscal year ending December 31, 2002. PwC has served as the Company's independent public accountants and auditors since the Company's 1990 fiscal year.

Representatives of PwC are expected to be present at the Annual Meeting and will be available to respond to appropriate questions and will have the opportunity to make a statement if they desire to do so.

#### **Audit Fees**

The aggregate fees incurred by the Company for services provided by PwC for the annual audit and for the quarterly reviews of the Company's financial statements for the year ended December 31, 2001, was approximately \$295,000, of which an aggregate amount of \$177,000 was billed to the Company through December 31, 2001.

#### Financial Information Systems Design and Implementation Fees

During 2001, there were no fees billed to the Company by PwC for services concerning the design or implementation of systems that (i) gather the data underlying the financial statements or (ii) generate data significant to the financial statements taken as a whole.

#### All Other Fees

For services other than those described in the two preceding sections ("Other Services"), PwC billed the Company aggregate fees in the amount of \$272,000 during 2001. Other Services include income tax consultation, tax return preparation, audits of employee benefit plans and other accounting consultation. The Audit Committee has considered whether the provision of non-audit services to the Company is compatible with maintaining PwC's independence.

27

#### **Audit Committee Report**

The following is the report of the Company's Audit Committee relating to actions taken with respect to the Company's financial statements for the year 2001 and the related interim periods. All Committee actions are determined by the Committee Charter, previously approved by the Board, attached here as Exhibit B and incorporated herein by reference. The Committee's job is one of oversight and it recognizes that the Company's management is responsible for preparing the Company's financial statements.

Specifically, we:

- Reviewed and discussed with management and the auditors the Company's interim and annual financial statements for 2001.
- Discussed with the auditors all matters required to be discussed under Statement on Auditing Standards No. 61, as amended, which sets forth required communication between external auditors and audit committees.
- Received the written disclosures and letters from the auditors required by Independence Standards No. 1 regarding their independence, and discussed the auditors' independence with them.
- Discussed with management and the auditors the quality and adequacy of the Company's internal controls.

Based on the above, we recommend to the Board of Directors that the audited financials be included in the Company's annual report of Form 10K, and that PricewaterhouseCoopers be reappointed as auditors for 2002.

# Approval of Minutes of 2001 Shareholders' Meeting and Other Matters (Proposal No. 3)

The Board of Directors does not know of any matters to be presented to the Annual Meeting other than those specified above, except matters incident to the conduct of the Annual Meeting and the approval by a majority of the shares represented at the Annual Meeting of minutes of the 2001 Annual Meeting which approval does not amount to ratification of actions taken thereat. If, however, any other matters should come before the Annual Meeting, it is intended that the persons named in the enclosed Proxy, or their substitutes, will vote such Proxy in accordance with their best judgment on such matters.

# **Multiple Stockholders Sharing the Same Address**

In December 2000, the Securities and Exchange Commission adopted new rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year, one or more brokers with accountholders who are Churchill Downs stockholders will be "householding" our proxy materials. A single Proxy Statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholder. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If,

28

at any time, you no longer wish to participate in "householding" and would prefer to receive a separate Proxy Statement, please notify your broker. You may direct your written request for a copy of the Proxy Statement to Churchill Downs Incorporated, Attn: Mary Ann Guenther, Corporate Counsel and Assistant Secretary, 700 Central Avenue, Louisville, Kentucky 40208, or contact Sue Carwile at 502-636-4400. If your broker is not currently householding (i.e., you received multiple copies of the Company's Proxy Statement), and you would like to request delivery of a single copy, you should contact your broker.

Any shareholder proposal that may be included in the Board of Directors' Proxy Statement and Proxy for presentation at the Annual Meeting of Shareholders to be held in 2003 must be received by the Company at 700 Central Avenue, Louisville, Kentucky 40208, Attention of the Secretary, no later than January 6, 2003. Pursuant to the Company's Bylaws, proposals of shareholders intended to be presented at the Company's 2003 annual meeting of shareholders must be received by the Company at the principal executive offices of the Company not less than 90 nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting of shareholders. Accordingly, any shareholder proposals intended to be presented at the 2003 annual meeting of shareholders of the Company must be received in writing by the Company at its principal executive offices not later than March 22, 2003, nor sooner than February 20, 2003. Any proposal submitted before or after those dates will be considered untimely, and the Chairman shall declare that the business is not properly brought before the meeting and such business shall not be transacted at the annual meeting.

BY ORDER OF THE BOARD OF DIRECTORS.

applicable to awards; [vi] to fix such other provisions of the option agreement as it may deem necessary or desirable consistent with the terms of the Plan; and [vii] to determine all other questions relating to the administration of the Plan. In making such determinations, the Committee may take into account the nature of the services performed by such employees, their present and potential contributions to the success of Company or a Subsidiary and such other factors as the Committee in its discretion shall deem relevant. The interpretation of any provision of the Plan by the Committee shall be final, conclusive, and binding upon all persons and the officers of Company shall place into effect and shall cause Company to perform its obligations under the Plan in accordance with the determinations of the Committee in administering the Plan.

- 5. *Eligibility.* Key employees of Company and its Subsidiaries shall be eligible to receive options under the Plan. Key employees to whom options may be granted under the Plan will be those selected by the Committee from time to time who, in the sole discretion of the Committee, have contributed in the past or who may be expected to contribute materially in the future to the successful performance of Company and its Subsidiaries.
- 6. Terms and Conditions of Options. Each option granted under the Plan shall be evidenced by an option agreement signed by Optionee and by a member of the Committee on behalf of Company. An option agreement shall constitute a binding contract between Company and Optionee, and every Optionee, upon acceptance of such option agreement, shall be bound by the terms and restrictions of the Plan and of the option agreement. Such agreement shall be subject to the following express terms and conditions and to such other terms and conditions that are not inconsistent with the Plan as the Committee may deem appropriate.
- A. \$100,000 ISO Limitation. The aggregate fair market value (determined as of the date an option is granted) of the Common Stock for which ISOs will first become exercisable by an Optionee in any calendar year under all ISO plans of Optionee's employer corporation and its parent (within the meaning of Code Section 424(e)) or subsidiary (within the meaning of Code Section 424(f)) corporation shall not exceed \$100,000. Options in excess of this limitation shall constitute NSOs.
- B. *Option Period.* Each option agreement shall specify the period during which the option is exercisable. The Committee may extend the period; provided, however, that the period may not be extended without Optionee's consent if the extension would disqualify the option as an ISO. In no case shall such period, including extensions, exceed ten (10) years from the date of grant, provided, however, that in the case of an ISO granted to a Ten Percent Stockholder, such period, including extensions, shall not exceed five (5) years from the date of grant.
- C. Option Vesting. No part of any option may be exercised until Optionee has been employed by Company or a Subsidiary for such period, which shall be no less than one (1) year, after the date on which the option is granted as the Committee may specify in the option agreement. The option agreement may provide for exercisability in installments.
- D. Acceleration of Option Vesting. The Committee may, in its discretion, provide that the exercise dates of outstanding options shall accelerate and become exercisable on or after the date of a Change in Control or termination of Optionee's employment due to death and/or Disability and, in addition, on such terms and conditions deemed appropriate by the Committee and set forth in the Option Agreement.
- E. Option Price. The Option Price per share of Common Stock shall be determined by the Committee at the time an option is granted. The Option Price for ISOs shall be not less than fair market value, or in the case of an ISO granted to a Ten Percent Shareholder one hundred ten percent (110%) of the fair market value, at date of grant. The fair market value of Common Stock shall be the closing high bid quotation for the Common Stock in the over-the-counter market, as reported by the National

A-3

Association of Securities Dealers Automated Quotation System, on the business day immediately preceding the date of grant. The Option Price shall be subject to adjustments in accordance with the provisions of Section 11.

- F. Option Expiration. An option shall expire, and cease to be exercisable, at the earliest of the following times:
  - [1] ten (10) years after the date of grant; or
  - [2] in the case of an ISO granted to a Ten Percent Shareholder, five (5) years after the date of grant; or
- [3] in the case of both an ISO and NSO, unless provided otherwise in the option agreement solely with respect to an NSO, five (5) years after termination of employment with Company or a Subsidiary because of Optionee's retirement in accordance with the terms of Company's tax-qualified retirement plans or with the consent of the Committee; or
  - [4] two (2) years after termination of employment with Company or a Subsidiary because of Optionee's death or Disability; or
- [5] the earlier of: [i] date of Optionee's termination of employment with Company or a Subsidiary for any reason other than death, Disability or retirement; or [ii] the date on which written notice of such employment termination is delivered by Company to Optionee; or
  - [6] any earlier time set by the grant as provided in the option agreement.
- G. Exercise By Optionee's Estate. Upon Optionee's death, options may be exercised, to the extent exercisable by Optionee on the date of Optionee's death, by Optionee's Representative at any time before expiration of said options.
- H. *Leaves of Absence.* The Committee may, in its discretion, treat all or any portion of a period during which an Optionee is on military or an approved leave of absence as a period of employment with Company or Subsidiary for purposes of accrual of rights under the Plan. Notwithstanding the foregoing, in the case of an ISO, if the leave exceeds ninety (90) days and reemployment is not guaranteed by contract or statute, Optionee's employment shall be deemed to have terminated on the 91st day of the leave.

- I. Payment of Option Price. Each option shall provide that the Option Price shall be paid to Company at the time of exercise either in cash or in such other consideration as the Committee deems appropriate, including, but not limited to, Common Stock already owned by Optionee having a total fair market value, as determined by the Committee, equal to the Option Price, or a combination of cash and Common Stock having a total fair market value, as determined by the Committee, equal to the Option Price.
- J. Manner of Exercise. To exercise an option, Optionee shall deliver to Company, or to a broker-dealer in the Common Stock with the original copy to Company, the following: [i] seven (7) days' prior written notice specifying the number of shares as to which the option is being exercised and, if determined by counsel for Company to be necessary, representing that such shares are being acquired for investment purposes only and not for purpose of resale or distribution; and [ii] payment by Optionee, or the broker-dealer, for such shares in cash, or if the Committee in its discretion agrees to so accept, by delivery to Company of other Common Stock owned by Optionee, or in some combination of cash and such Common Stock acceptable to the Committee. At the expiration of the seven (7) day notice period, and provided that all conditions precedent contained in the Plan are satisfied, Company shall, without transfer or issuance tax or other incidental expenses to Optionee, deliver to Optionee, at the offices of Company, a certificate or certificates for the Common Stock. If Optionee fails to accept delivery of the Common Stock, Optionee's right to exercise the applicable portion of the option shall terminate. If payment of the Option Price is made in Common Stock, the value of the Common Stock used for payment of the Option Price shall be the

A-4

fair market value of the Common Stock, determined in accordance with Section 6.E, on the business day preceding the day written notice of exercise is delivered to Company. Options may be exercised in whole or in part at such times as the Committee may prescribe in the applicable option agreement.

- K. Cancellation of SARs. The exercise of an option shall cancel a proportionate number, if any, of SARs included in such option.
- L. Exercises Causing Loss of Compensation Deduction. No part of an option may be exercised to the extent the exercise would cause Optionee to have compensation from Company and its affiliated companies for any year in excess of \$1 million and that is nondeductible by Company and its affiliated companies pursuant to Code Section 162(m) and the regulations issued thereunder. Any option not exercisable because of this limitation shall continue to be exercisable in any subsequent year in which the exercise would not cause the loss of Company's or its affiliated companies' compensation tax deduction, provided such exercise occurs before the option expires, and otherwise complies with the terms and conditions of the Plan and option agreement.
  - M. ISOs. Each option agreement that provides for the grant of an ISO shall contain provisions deemed necessary or desirable by the Committee to qualify such option as an ISO.
  - 7. Stock Appreciation Rights.
- A. *Form of Award*. The Committee may include an SAR in any ISO or NSO granted under the Plan, either at the time of grant or thereafter while the option is outstanding; provided that no SAR may be awarded with respect to an outstanding ISO without the Optionee's consent to the extent the award would disqualify the option as an ISO. SARs shall be subject to such terms and conditions not inconsistent with the other provisions of the Plan as the Committee shall determine.
- B. Exercise of SAR/Cancellation of Option. An SAR shall entitle the Optionee to surrender to Company for cancellation the unexercised option, or portion thereof, to which it is related, and to receive from Company in exchange therefor, at the discretion of the Committee, either: [i] a cash payment equal to the excess of the fair market value of the Common Stock subject to the option or portion thereof so surrendered over the aggregate Option Price for the shares; or [ii] delivery to Optionee of Common Stock with a fair market value equal to such excess, or [iii] a combination of cash and Common Stock with a combined value equal to such excess. The value of the Common Stock shall be determined by the Committee in accordance with Section 6.E on the day immediately preceding the day written notice of exercise of the SAR is delivered to Company. The exercise procedures provided by Section 6.J shall apply to the exercise of an SAR to the extent applicable.
- C. Limitations. An SAR shall be exercisable only to the extent the option to which is relates is exercisable and shall be exercisable only for such period as the Committee may provide in the option agreement (which period may expire before, but not later than, the expiration date of the option). Notwithstanding the preceding sentence, an SAR is exercisable only when the fair market value of a share of Common Stock exceeds the Option Price for the share.
- 8. *Investment Representation*. Each option agreement may provide that, upon demand by the Committee for such a representation, Optionee or Optionee's Representative shall deliver to the Committee at the time of exercise a written representation that the shares to be acquired upon exercise of an option or SAR are to be acquired for investment and not for resale or distribution. Upon such demand, delivery of such representation before delivery of Common Stock shall be a condition precedent to the right of Optionee or Optionee's Representative to purchase Common Stock.
- 9. *Tax Withholding*. Company shall have the right to: [i] withhold from any payment due to Optionee or Optionee's Representative; or [ii] require Optionee's Representative to remit to Company; or [iii] retain Common Stock otherwise deliverable to Optionee's Representative, in an

A-5

amount sufficient to satisfy applicable tax withholding requirements resulting from the grant or exercise an option or SAR or disqualifying disposition of Common Stock acquired pursuant to

- 10. Compliance With Other Laws and Regulations. The Plan, the grant and exercise of options and SARs and the obligation of Company to sell and deliver shares under such options and SARs, shall be subject to all applicable federal and state laws, rules and regulations and to such approvals by any government or regulatory agency as may be required. Company shall not be required to issue or deliver certificates for shares of Common Stock before [i] the listing of such shares on any stock exchange or over-the-counter market, such as NASDAQ, on which the Common Stock may then be listed or traded, and [ii] the completion of any registration or qualification of any governmental body which Company shall, in its sole discretion, determines to be necessary or advisable.
  - 11. Capital Adjustments and Mergers and Consolidations.
- A. *Capital Adjustments*. In the event of a stock dividend, stock split, reorganization, merger, consolidation, or a combination or exchange of shares, the number of shares of Common Stock subject to the Plan and the number of shares under an option or SAR shall be automatically adjusted to take into account such capital adjustment. The price of any share under an option or SAR shall be adjusted so that there will be no change in the aggregate purchase price payable upon exercise of such option or SAR.
- B. Mergers and Consolidations. In the event Company merges or consolidates with another entity, or all or a substantial portion of Company's assets or outstanding capital stock are acquired (whether by merger, purchase or otherwise) by a Successor, the kind of shares of Common Stock that shall be subject to the Plan and to each outstanding option and SAR shall automatically be converted into and replaced by shares of common stock, or such other class of securities having rights and preferences no less favorable than Company's Common Stock, of the Successor, and the number of shares subject to the option and SAR and the purchase price per share upon exercise of the option or SAR shall be correspondingly adjusted, so that each Optionee shall have the right to purchase [a] that number of shares of common stock of the Successor that have a value equal, as of the date of the merger, conversion or acquisition, of the value, as of the date of the merger, conversion or acquisition, of the shares of Common Stock of Company theretofore subject to Optionee's option and SAR, [b] for a purchase price per share that, when multiplied by the number of shares of common stock of the Successor subject to the option and SAR, shall equal the aggregate exercise price at which Optionee could have acquired all of the shares of Common Stock of Company theretofore optioned to Optionee. Conversion of an ISO shall be done in a manner to comply with Code Section 424 and the regulations thereunder so the conversion does not disqualify the option as an ISO.
- C. No Effect on Company's Rights. The granting of an option or SAR pursuant to the Plan shall not affect in any way the right and power of Company to make adjustments, reorganizations, reclassifications, or changes of its capital or business structure or to merge, consolidate, dissolve, liquidate, sell or transfer all or any part of its business or assets.
- 12. *Transferability.* Options and SAR granted under the Plan may not be transferred by Optionee other than by will or the laws of descent and distribution and during the lifetime of Optionee, may be exercised only by the Optionee. Any attempted assignment, transfer, pledge, hypothecation or other disposition of an option or SAR, or levy or attachment or similar process

not specifically permitted herein, shall be null and void and without effect.

- 13. No Rights as Shareholder. No Optionee or Optionee's Representative shall have any rights as a shareholder with respect to Common Stock subject to an option or SAR before the date of transfer to the Optionee of a certificate for such shares.
- 14. *No Rights to Continued Employment.* Neither the Plan nor any award under the Plan shall confer upon any Optionee any right with respect to continuance of employment by Company or Subsidiary nor interfere with the right of Company or Subsidiary to terminate the Optionee's employment.

A-6

- 15. Amendment, Suspension, or Termination. The Board may amend, suspend or terminate the Plan at any time and in any respect that it deems to be in Company's best interests, except that, without approval by shareholders of Company holding not less than a majority of the votes represented and entitled to be voted at a duly held meeting of Company's shareholders, no amendment shall be made that would: [i] change the aggregate number of shares of Common Stock which may be delivered under the Plan, except as provided in Section 11; or [ii] change the employees or class of employees eligible to receive ISOs; or [iii] require shareholder approval under federal or state securities laws.
- 16. Effective Date, Term and Approval. The effective date of the Plan is November 20, 1997 (the date of Board adoption of the Plan), subject to approval by stockholders of Company holding not less than a majority of the shares present and voting at its 1998 annual meeting on June 18, 1998. The Plan shall terminate ten (10) years after the effective date of the Plan and no options may be granted under the Plan after such time, but options granted prior thereto may be exercised in accordance with their terms.
- 17. Severability. The invalidity or unenforceability of any provision of the Plan or any option or SAR granted pursuant to the Plan shall not affect the validity and enforceability of the remaining provisions of the Plan and the options and SARs granted hereunder. The invalid or unenforceable provision shall be stricken to the extent necessary to preserve the validity and enforceability of the Plan and the options SARs granted hereunder.
  - 18. Governing Law. The Plan shall be governed by the laws of the Commonwealth of Kentucky.
